MINISTRY TEAM DESCRIPTIONS...

OVERALL

The overall purpose of the ministry teams are to assist the pastor and the deacon body with the overall discipleship and ministry opportunities of the church. Our desire as a church is to LOVE, UNITE, AND DISCIPLE our church and the surrounding community. Each team consists of three team leaders on a yearly rotating basis that are encouraged to recruit, organize, and mobilize their teams to accomplish the ministry goals of the church. The Ministry Teams may consist of as many members as necessary, but it is the team leaders who will be selected by the nominating committee when a spot becomes available (whether by rotation, neglect of attendance, or movement of church letter). The team leaders should not take the sole responsibility of executing their respective ministries, but rather recruit, organize, and mobilize as many as are necessary for meeting the goals of their ministry area.

BEREAVEMENT TEAM

Organize the church to serve those who have lost loved ones. This is primarily done through family dinners at funerals; however, this ministry aspect need not be limited to this encouragement alone.

WOMEN'S MINISTRY TEAM

The goal of the women's ministry is to provide opportunities for our church to Love, Unite, and Disciple the women of our church and our community.

MEN'S MINISTRY TEAM

The goal of the men's ministry is to provide opportunities for our church to Love, Unite, and Disciple the men of our church and our community.

MUSIC MINISTRY TEAM

The goal of the music ministry is to work with the pastor and deacons in overseeing the quality of music in our church's weekly services as well as recruit individuals who are musically talented and provide opportunities for them to use their talents to worship Jesus and edify the church.

HOSPITALITY TEAM

The goal of the hospitality team is to organize and oversee church fellowship meals as well as provide wedding and baby showers as the opportunities arise.

BUILDINGS AND GROUNDS TEAM

The goal of the buildings and grounds team is to oversee and mobilize the church to complete repairs and updates to the existing church facilities.

CHILDREN'S MINISTRY TEAM

The goal of the children's ministry is to provide opportunities for the church to serve, evangelize, educate, and disciple children and their families on an age appropriate level. They are responsible for the Wed. Children's Program, VBS, Children's Camp, and any other children's ministry opportunities that may arise.

YOUTH MINISTRY TEAM

The goal of the youth ministry is to provide opportunities for the church to serve, educate, evangelize, and disciple Junior High and High School students and their families. They are responsible for youth Sunday School, Wed. Youth Program, Falls Creek Youth Camp, and any other youth ministry opportunities that may arise.

NURSERY AND EXTENDED CARE TEAM

The goal of the nursery and extended care team is to serve families with younger children in the church. They should mobilize the church to provide quality childcare while providing a Christ-rich environment. They are responsible for the church nursery ministry, extended care for toddlers, and children's church for those younger than 8 years old.

DECORATING TEAM

The goal of the decorating team is to mobilize the church to provide a quality, season appropriate, and welcoming experience for all who enter the church facilities.

GUESTS' SERVICES TEAM

The goal of the guests' services team is to provide a warm and welcoming experience to any and all of our guests who choose to honor us with their attendance. As a church, we want our guests to leave our services with the notion that they belong here.

TRANSPORTATION TEAM

The goal of the transportation team is to be a good steward of the transportation resources that God has provided for us. They will oversee the maintenance of the vehicles as well as recruit drivers and assistants to be a part of this crucial ministry opportunity.

USHERS AND SAFETY TEAM

The primary goal of the ushers and safety team is to serve all those who attend our weekly services and do all they can to see to a safe and secure environment. They are responsible for greeting people as they come in the door, collecting and depositing the offering, and patrolling the halls during the services, and any other duties to provide a secure and safe place to worship. If a situation arises that requires lockdown or evacuation, it is the duty of this team to oversee and execute the actions necessary.

SUNDAY SCHOOL MINISTRY TEAM

Sunday School needs to be the primary avenue through which we as a church foster and encourage discipleship as well as encourage outreach. The goal of the Sunday School Ministry Team is to oversee and mobilize our Sunday School groups to intentionally function in a way that is biblically healthy and relevant to our church's participating in Kingdom purposes.

OUTREACH MINISTRY TEAM

The goal of the outreach ministry team is to organize and mobilize the church in reaching out into our community with the intentional purpose of serving those in need or providing quality, Kingdom advancing ministry to all in our community.

MISSIONS MINISTRY TEAM

The goal of the missions ministry team is to organize and mobilize the church in Gospel and Kingdom advancement outside of our community through various missions endeavors. These opportunities include, but are not limited to, mobilizing giving, collecting and passing on of resources, organizing and leading mission trips regionally, nationally, or internationally, etc.
