DISCUSSION GUIDE

Before the video, how would you have defined the purpose of prayer?

How big an influence on your faith has prayer been up to this point?

What are some reasons it's difficult for people to maintain the habit of prayer over a long period of time?

What are some reasons that people pray? Which of these reasons most applies to you?

What do you think is the most compelling reason we should pray?

THIS WEEK

Focus on a new or renewed approach to praying. Be patient. It may take some time for you find a rhythm but keep at it. Give it a few weeks and if it happens to still not become a staple in your life, then change it up and try a different strategy, but definitely don't quit. Remember, prayer is foundational to a healthy relationship with God!
